Station :	ABC North and West SA	Program :	North and West Mornings
Location :	Port Pirie	Producer :	Ms Petria Ladgrove
Aired On :	27/03/2012 9:22:07 AM	Duration :	5 mins 30 secs
Compere :	Ann Jones	Summary ID :	W00048051386
Interviewees :	Mick Durant, Senior Vegetation Consultant, Greening Australia		

Jones says the Federal Government has put aside some money for the Indigenous Carbon Farming Fund. Jones talks to Mick Durant, Senior Vegetation Consultant, Greening Australia, about the fund. Durant says the fund is about getting the right information to Indigenous groups. Jones says they are involved in this with the Aboriginal Foundation of SA and Canopy. Durant says they run a three day training course. Durant discusses the stages of the course. Durant says it looks at the issues of climate change. Durant says they have had three training courses in the Murray Darling Basin and have some coming up on the York Peninsula and Whyalla. Durant discusses ways of gaining carbon credits. Durant says it is a vehicle for people already thinking of managing land. Durant discusses the success of other workshops.
